CIAC Tournament Site Media Policy – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:

- 1) A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)
- 2) Access to electric power (shared power strip, etc.)
- 3) Access to wireless internet service.

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate sites as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

Unmanned Aerial Systems at CIAC-Sanctioned Events – The use of unmanned aerial systems, often referred to as drones, are prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purposes of this policy, an unmanned aerial system is any aircraft without a human pilot on board.

Field Hockey Site Information

Used to determine suitability of field for all tournament games including sites of higher ranked teams.

In order to insure that fields are of tournament quality, officials will monitor them throughout the season. Schools with questionable fields will be contacted by the committee. Schools that cannot provide a tournament quality site may be denied a home site in games through the quarter-finals. Schools that can’t charge admission for quarter-final games or cannot provide a quality tournament playing field will not be permitted to be a home site.

If your field meets the above specifications and you qualify for the tournament, your site may be considered for further tournament use. Regulation size field – 100 yards by 60 yards. Five yard area free of obstructions for team bench and spectator area. Surface smooth, unevenness or irregular heights would cause the ball to rise in an unsafe manner or prohibit skillful play. Grass length shall be no more than 1-1/2 inches. Note: All fields with overlapping infields will be prohibited for tournament play.

PLEASE NOTE: Once you commit your field, it must remain available.

ALL COACHES – FORM MUST BE SUBMITTED REGARDING SITE INFORMATION VIA THE PASSWORD-PROTECTED ONLINE ELIGIBILITY CENTER BY SEPTEMBER 22, 2023.

Note: The CIAC Field Hockey Committee reserves the right to select all sites. Non-submission of this form may result in loss of home site advantage.

Regular Season Overtime Procedure – If the score is tied at the end of regulation, a single ten-minute 7 v 7 “Sudden Victory” overtime period will be played in accordance with NFHS rules. A goal ends the game. If the score remains tied at the conclusion of the overtime period, the game will be declared a tie.

CIAC Tournament Overtime Procedure – See page 12-13

Both team's scorekeepers can sit at the scoring table to assist each other. The scorer(s) must be at the table ten minutes prior to the start of the game.

- 12.4 **ALL GAMES INCLUDING THE FINALS** the lower ranked team will wear solid dark shirts and dark socks/sock guards and the higher ranked team will wear solid white shirts and white socks/sock guards. If there is a conflict in colors, the lower ranked team must change shirts or wear pinnies.

The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.

Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by the conference.

- 13.2 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.

2023 CIAC FIELD HOCKEY TOURNAMENT TIE-BREAKING PROCEDURES

All NFHS Rules shall apply except as modified below:

- A tied game will be broken to determine the winner by playing up to two 10-minute **Sudden Victory** periods with teams consisting of seven players (7 v 7).
- There will be a five-minute intermission between the end of regulation and the first overtime period, and a two-minute intermission if a second 10-minute 7 v 7 period is needed.
- If the score remains tied at the end of the second 7 v 7 overtime period, a **Shoot-Out** will take place.
- The lower ranked team will call all coin tosses.
- Unused regulation game timeouts do not carry over into the overtime periods.
- A player disqualified (red card) during regulation play shall not be allowed to play in any of the overtime procedures, and the team shall play short in the 7 v 7 overtime periods.
- A player suspended (green or yellow card) during regulation play shall not be replaced or returned and the team plays short in the 7 v 7 overtime period until the suspension time is completed.

Sudden Victory 7 v 7

- Each team will begin the overtime period with seven players, one of which must be a GK, unless players were disqualified or have not completed a suspension during any previous playing periods.
- The coin toss for the first overtime period will determine ball possession. The direction of play remains the same as the regulation second half.
- If a second overtime period is necessary, the teams shall switch attacking ends and the team that did not have possession at the beginning of the first overtime period will begin the second overtime period with the center pass.
- For penalty corners the defending team is permitted to have three field players and a GK behind its goal line.
- A player disqualified (red card) shall not be replaced and the team shall play short in the 7 v 7 overtime period(s).
- A player suspended (green or yellow card) during the 7 v 7 overtime period may not be replaced or returned until the suspension time is completed.
- The game is completed as soon as a goal is scored.

Shoot-Out

- Prior to the start of the Shoot-Out, there shall be a 5-minute intermission.
- A coin toss will give a team the choice to attack or defend.
- A player disqualified (red card) during the 7 v 7 is ineligible to participate in the Shoot-Out.
- A player suspended (green or yellow card) during the 7 v 7 is eligible to participate in the Shoot-Out only if the suspension period was completed before time expired.
- Teams will always begin the Shoot-Out with 5 players regardless of any disqualifications/suspensions.
- A series of five shots on goal shall be taken by individual players from each team in a one-on-one format (attacker vs GK), alternately against the same GK from the opposing team.
Note: Each coach will present a list of five players to the officials and the shots will be taken by the players in the order they are listed. If a player participates out of order, that one-on one is over and no goal is awarded.
- There is no substitution of any player during the Shoot-Out except for injury to a player or suspension of or injury to a defending GK.
- The team scoring the highest number of goals shall be the winner.
- Once the Shoot-Out procedure is decisive, the game shall be complete and no more one-on-one attempts need to be taken.

Taking the Shoot-Out

- Team members and coaching staff are permitted to enter the field of play only in the area outside the 25 yard area used for the Shoot-Out.
- Only the player who is to take or defend a shoot-out may enter the 25 yard area.
- The GK of the team taking the shoot-out may be beyond the back line outside the circle.

- The GK starts on or behind the goal line between the posts.
- The ball is placed on the nearest 25 yard line opposite the center of the goal.
- The attacker stands outside the 25 yard line near the ball.
- The umpire blows the whistle to signal the start of the shoot-out. The attacker and GK may then move in any direction.
- The shoot-out is complete under the following conditions:
 - Eight seconds on turf or ten-seconds on grass has elapsed.
 - The attacker scores a goal.
 - The attacker fouls.
 - The ball goes out of play over the back line or side line. (This includes the GK intentionally playing the ball over the back line – such action is not a foul in a Shoot-Out.
 - The ball simply going outside the circle a second time does not end the Shoot-Out.
- Unintentional foul by the GK – the shoot-out is retaken against the same attacker.
- Intentional foul by the GK – a penalty stroke is awarded. Any eligible player on the official roster may take the penalty stroke. The penalty stroke will take place before the next Shoot-Out. A player who has been disqualified due to a card is not eligible.
- A player may be suspended by a yellow or red card during the Shoot-Out.
- A suspended GK shall not take further part in the competition but can be replaced by any eligible player from the team. The replacement GK is allowed reasonable time to put on protective equipment.
- If an attacker is suspended during the Shoot-Out, no replacement is allowed. Any further Shoot-Out the player was entitled to take counts as no goal.

If no decision is reached after the first series of five one-on-one shoot-outs a **Sudden Victory Shoot-Out** format will be used to break the tie.

- For the second and any subsequent series of five one-on-one shoot-outs, coaches may use the same five players or select any mixture of five eligible players from the roster as well as change order. The list of five shooters must be presented to the official and the shots will be taken by the players in the order they are listed. If a player participates out of order, that one-on-one is over and no goal is awarded.
- The team that defended first in the first series will attack first in the second series. Teams will continue to alternate for any subsequent series.
- The first team awarded more goals than its opponent after an equal number of shoot-out attempts shall be the winner. One team goal is awarded to the winner of the series rather than the number of goals scored in the series.

14.0 SUPERVISION / SPORTSMANSHIP

- 14.1 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director and to the game officials.
- 14.2 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.
- 14.3 Use of tobacco products or possession of alcoholic beverages of any kind, including champagne, are not permitted on the field of play, including dugouts, or within the field or park at which a tournament game is scheduled. Many towns or fields which we use have local ordinances prohibiting use of tobacco products or possession of alcoholic beverages.
